Market Capitalization

Gross performance of the fund represents performance before considering any expenses of the fund including tax on the investments of the fund and investment management fees. The Net performance is after considering all expenses including tax and investment management fees.

Performance over 1 year is annualised.

The Fund uses the benchmark for performance comparison purposes. The Fund is actively managed. This means the investment manager is taking investment decisions with the intention of achieving the Fund's investment objective with complete discretion with respect to portfolio allocation and overall level of exposure to the market. The investment manager is not in any way constrained by the benchmark in its portfolio positioning, and the Fund will not hold all, or indeed may not hold any, of the benchmark constituents. The deviation from the benchmark may be complete or significant.

(Kotak Mahindra (UK) Limited ("KMUK") was providing investment management services to the fund until 31 March 2017. Kotak Mahindra Asset Management (Singapore) Pte. Ltd. ("KMAMS") has been appointed as the investment manager of the fund with effect from 1 April 2017. The fund management professionals who provided investment management services to the Fund as employees of KMUK until 31.03.2017 continue to provide such services to the fund as employees of KMAMS.)

Large-capitalisation companies are those that have a market capitalisation greater than or equal to that of the company which has the 50th largest market capitalization amongst the companies listed in India whereas small capitalization companies are those that have a market capitalisation less than that of the company which has the 350th largest market capitalization amongst the companies listed in India.

No MSCI Party shall have any liability for any errors or omissions in connection with any Information herein, or any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages.

Distribution of this document is strictly restricted by applicable laws and regulatory requirements of all countries in which it is made available and is intended only for the use of persons to whom it may legally be made available under local qualification criteria. This document is not intended to be accessed by retail investors. Protections afforded by local legal and regulatory systems may have limited applicability to investments in this fund.

Investments in India are subject to a number of risks including, but not limited to, risk of losing some or all of the capital invested, high market volatility, variable market liquidity, geopolitical risks (including political instability), exchange rate fluctuations (between the currency of the fund's share class and the Indian Rupee), changes in tax regime and restrictions on investment activities of foreign investors. Past investment performance should not be viewed as a guide to, or indicator of, future performance and the value of investments and the income derived from them can go down as well as up. Detailed information on the fund and associated risks is contained in the fund prospectus. The Fund documents including its prospectus are available on the Fund's website which can be accessed at <https://www.kotak-international.com/>. In Switzerland, these documents along with the Fund's articles of association can be obtained from the Fund's Representative and Paying agent: BNP Paribas Securities Services, Paris, succursale de Zurich, Selnaustrasse 16, 8002 Zurich, Suisse. You should consult your professional adviser if you are in doubt about the strict restrictions applicable to the use of this document, regulatory status of the fund, applicable regulatory protection, associated risks and suitability of the fund to your objectives.

Further information about the sustainability-related aspects of the sub-fund is available here <https://www.kotak-international.com/ucits-funds>.

The decision to invest in the Fund should take into account all the characteristics or objectives of the Fund as described in its prospectus.

The Fund is an unregistered private fund and is NOT subject to the same regulatory requirements as U.S. registered mutual funds, including mutual fund requirements to provide certain periodic and standardized pricing and valuation information to investors. The shares of the Fund have not been and will not be registered under the US Securities Act of 1933, as amended, (the "Securities Act") or with any securities regulatory authority of any state or any other jurisdiction of the United States and, must not be offered or sold within the United States or to, or for the account or benefit of, US Persons (as defined in Regulation S under the Securities Act).

The Funds have been registered for distribution in certain countries in the European Union. The protections available to investors are set out in a document that can be accessed by following this link [<https://www.kotak-international.com/>]. The investment manager of the Funds may terminate such registration in accordance with Article 93a of Directive 2009/65/EC as amended and Article 32a of Directive 2011/61/EU as amended which would result in the facilities available to investors in such jurisdictions no longer being available following termination.
